JUNE 2026

The Colors of Communion

BY JENNIFER PRATT-WALTER

Flowers chant their wordless songs
of color and scent, delighting like
a joyful choir at dawn.
I breathe in with my whole body, feeling
how it is we grow, quietly rising together
among spring's green and dew.
The rhythm of seasons rolls ahead
and I, a shy blossom, voice my small
prism of song. I am singing
of the wonder of how roots
so love the buds they bid them grow,
unseen as they are,
while the buds never look back.

Annual Flower Communion June 14, 2026

Bring a flower, bring a smile, bring your family and friends!

Sunday Worship is at 10 am

IN PERSON AND LIVESTREAM AT WWW.CONCORDUU.ORG/LIVE

6/7/2026 "Love Will Rise - A Music Sunday"

Rev. Michael Leuchtenberger

Music Sunday will trace the musical journey of our choir this year, building in intensity from the gentle imploring of Karen Marrolli's "Until Love Is Spoken" to Mark Miller's celebration of respect and inclusion for all in the LGBTQ community and beyond. Then shifting to the apocalyptic imagery of environmental destruction expressed by the driving rhythms and syncopation of "More Waters Rising" and on to the simmering persistence and rhythmic tenacity of "Until All of Us Are Free" (we are none of us free), and concluding with the hopeful message expressed by Jim Papoulis in "I Feel a Change is Coming." If we're united, we can be the change, we WILL be the change.

6/14/2026 "Flower Communion Sunday: Flourishing Together"

Rev. Michael Leuchtenberger

As we celebrate our annual Flower Communion service, may we remember to draw the circle wide as we embrace the many roles we each play to help our congregational village flourish. Please bring a flower if you can - though we'll have plenty of extras. Our graduating seniors will bridge, we will acknowledge Dory LeCount's time as our Family Engagement Coordinator, and we will tell the stories of the remarkable contributions of our 2026 volunteer awards recipients. Right after the service, we will take our annual All-Church Photo, followed by our Spring Picnic!

6/21/2026 "Blessing of the Animals" Rev. Jim Curley

Our beloved pets, whether cats, dogs, birds, reptiles, amphibians, simians or worms, all deserve a healthy, happy, and a blessed life. Bring your public-friendly pets to the sanctuary for a gentle, hands-on blessing by Rev. Jim. If you can't be in-person, send your pet's photo to the office for us to share on-screen. Got a loving story about your pet? Send it to Jim; perhaps he will share some of those stories. For the comfort of the pets, the service will be shorter than usual.

6/28/2026 "The Arc of our Time Together" Rev. Jen Youngsun Ryu, UUA General Assembly Service

Join us in the sanctuary for a video selection of General Assembly's Sunday service from 6/21, in worship with Rev. Jen Youngsun Ryu, grounding us for what comes next.

Bring on Summer, bring in your dish, and bring along your family for our Spring Family Potluck on June 14th

SUBMITTED BY RENEE WEST
PICNIC COORDINATOR

It's almost here! And as always, we need your super sides and delicious desserts to go along with the grilled goodies (including vegan/GF options) and fixings. While you're enjoying all the yummy offerings, you can also enjoy the kiddos playing in our bouncy house. Suggested donations are \$7 to \$9 per adult with children eating free.

In addition to your presence and your offerings, we also need your help in setting up and cleaning up. Please let us know you're coming and how you can help by filling out this form: uuconcordnh.breezechms.com/form/picnic. If you have any questions, please email Renee West via her contact information in Breeze or by emailing office@concorduu.org with a subject line Picnic Questions. See you there!

Circle of Life: Richard Blood

With sadness we share that Richard Blood, a beloved Member of our congregation, passed away on Friday, May 22, 2026, at the age of 91. Richard joined the church 46 years ago, in 1980. He served our congregation in many roles over the years: as Pastoral Care Associate, Board Member, Treasurer, and Usher. He participated in a Covenant Group and the Elder Circle.

A memorial service may be planned at a later date.

Annual Village Camp-In June 5 at 5:30 pm to June 6 at 9:30 am

Bring some dinner food to share, a tent, instruments to play, s'mores fixings, and participate in our annual Village Camp-In! This is an opportunity to enjoy the fun of camping with your church friends, with the conveniences of indoor plumbing, kitchen, and other amenities of church close at hand.

We play games, talk, sing, dance, and laugh together before snuggling in for a night in a tent (or inside the building, or... yes, you could go home and sleep in your own bed.) In the morning, enjoy a cup of coffee or tea and a pancake breakfast before we break camp and head to our respective weekend activities. Come for some or all, but come! It is a wonderful chance to get to spend time together, get to know new people and connect with old friends, in a relaxed family-friendly environment.

Join the UU Family WhatsApp Group!

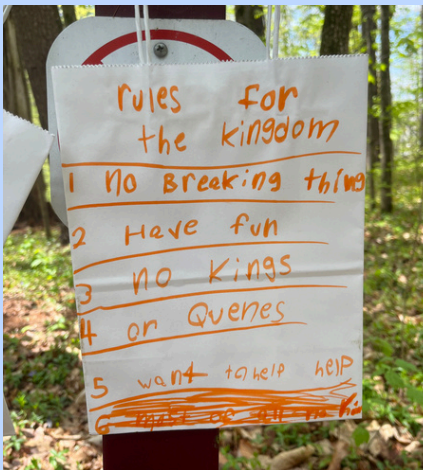

Did you know we have a WhatsApp group chat just for parents and caregivers of children who attend the UU? This is a space to stay connected to other families and hear updates about special events and activities for kids and families! Families use this space to share special invitations for fellowship outside of church, and for resource sharing. Staff use it to make sure you know all the fun things happening in and around church! If you would like to be added to the WhatsApp group please reach out to Dory, or ask one of the many UU village parents to tell you more!

The Rules for Kid's Kingdom:

- No breaking things
- Have Fun
- No Kings
- Or Queens
- If you want to help, help!

Take a Visit to Kid's Kingdom...

Kid's Kingdom is a space built by kids, for kids...but adults are welcome too! Gathering sticks and branches from the woods, and employing the assistance of twine and tape, our 5-12 year olds in the Young Explorers Program on Sunday mornings set themselves out on a mission to construct a village of multiple shelters and meeting spaces for the children to gather. There was some discussion on whether to build a wall or not. Ultimately, the children decided (without any adult input) that a wall is unkind and unnecessary, since everyone is welcome! A simple thin stick boundary will do in order to mark the space.

You may be surprised (or not?) to learn that a very important rule of Kid's Kingdom is: "No Kings". We wonder where they learned that from...

Kid's Kingdom can be found behind our building, up the hill, past the Memorial Garden, and through the woods in the space we sometimes call "The Grove". Head on up there and see for yourself the hard work our UU children have been doing to make our world a better, funner, and more welcoming place!

Pancakes, Play, and Planting Peace

Saturday, June 13 | 9am to 11am

Pancakes, Play, and Planting Peace is a pancake breakfast for families held on the 2nd Saturday of each month (except July!!!). Join us on June 13th from 9am-11am for pancakes, coffee, and tea followed by a service project for the children. This is an opportunity to meet other like-minded families and spend time together in a casual, relaxed setting, knowing your children are fed and happy! All are welcome!

Dory - Not for your eyes!

The last day for Dory LeCount as our Family Engagement Coordinator will be Sunday, June 14. She has been amazingly wonderful for our UU Church community, and one of the ways we are planning to show our gratitude is to create a Basket of Gratitude. We invite anyone who is interested to contribute a card, note, drawing, gift card, other notions (or any other idea you have).

There will be a labeled collection box on the shelf above the coat rack outside Fellowship Hall (it will be emptied every few days). Please place anything you want to contribute in the box by Thursday, June 11.

Concord UU Softball Team

The Concord UU softball team practices on Sundays at 4pm. Our games in the Concord Church League are on Monday nights starting on June 22. If you would like to have some outdoor fun in the summer please come out and play with us! Our team is coed and all ages (16+) can play. We have players at all skill levels - everyone is welcome to join us. Call or text Bobby Nord for more info. (Look him up in Breeze or ask the office for his number.)

Summertime at Concord UU

It's summertime, and the living is easy. At Concord UU, we slow down a bit in the summer, finding our spirit in nature, resting, and planning for next church year.

Summer worship services, June 21 through Labor Day, are mostly led by members of the congregation. **Thank you to our Summer Worship Planning Team: Jim Curley, Susi Nord, and Karen Thomas.** Worship starts at 10am, followed by a social time, often outdoors in the courtyard. After-service activities are occasionally offered, but are not the norm.

We provide **childcare for all ages during the worship service.** The Young Explorers program will be on hiatus. Members of the congregation are planning some pop-up events for kids and families. Join their WhatsApp group to stay informed (see page 4.)

Rev. Michael Leuchtenberger takes vacation and study leave in July and August. **A Pastoral Care Associate will be on call for pastoral emergencies.**

Tuesday's Welcome Table will happen in June 2 and 9, then will take a break for the summer

There's a New Team in the Village!

SUBMITTED BY MARTHA MAE EMERSON, GROUP COORDINATOR

You may have noticed a new table at Sunday Community Luncheons in May, the big one in the back with the lavender table cloth and signs “Welcome NewComers and New Members” and “Making New Connections”. So what’s this all about?

In Sunday sermons recently we’ve been talking about our church as a village and what makes a village that has a sense of belonging and connection, a village that includes everyone in meaningful ways. We already have an abundance of ways to connect with each other at the UU. But how to make sure everyone feels included in such a big and ever growing community?

Developing out of the village discussions, a group of mostly new comers and new members has come together to explore new ways of building deeper connections among congregants. Our first action is the “Making New Connections” table at the Sunday Community Luncheons. Our hope is to provide an ongoing opportunity for everyone, newcomers, new members, and current UU members and friends, to enjoy getting to know each other in new ways. All are welcome to join us at this very friendly table when the Sunday Community Luncheons resume in September.

As part of our goal to build a friendly UU community we will be collaborating with the Congregant Engagement Team to build on what they are already doing.

If you are interested in learning more and sharing ideas, contact Martha Mae Emerson thru the UU office, office@concorduu.org. Of course we welcome new members to our team!

Meet some of our newest members!

CHRIS GANTNER

Chris is from Texas. He moved to New England around 2000AD to pursue music in Boston.

As for music, he enjoys playing on the piano, organ, and harpsichord. He and his wife run a non-profit music group called Brandenburg and Beyond where they perform baroque and contemporary music with flute, harpsichord, and strings. They perform several concerts in the Spring and Fall.

Currently, Chris is a pilot, flying light jets at a company called PlaneSense based in Portsmouth, NH. He enjoys going up and coming back down.

His favorite food is plain yogurt, like his personality.

KRISTEN CURREN

I grew up in southern Connecticut and now live in Concord with my husband and our two daughters, and our dog Pearl. I'm a sixth-grade math teacher at Rundlett Middle School and love finding ways to make learning meaningful and engaging.

I have a bit of a musical theater obsession—and often splurge on tickets to shows. I'm rarely without tea (I drink three to four pots a day!) and am currently learning Spanish. In my free time, I enjoy reading and hiking, especially when I can spend that time with my family.

My spirituality doesn't fit neatly into a single label; I think of it as open-hearted and evolving, grounded in open-mindedness and a deep sense that nature itself is a kind of church for me. I first began attending services in 2017, when my daughters were young, hoping to find a place where we could belong and grow together. I immediately felt at home.

I'm involved in Circle 17, a family covenant group, and Peace and Pancakes, and I value the many ways my daughters and I can continue to connect and grow in this community.

AMANDA BLAIR

I grew up in Presque Isle, Maine, but life has taken me on quite a journey —I have lived in New Hampshire, New York, Georgia, Alabama, and Idaho. Each place has shaped who I am and deepened my appreciation for new experiences and perspectives. These days, I live in Manchester with my spouse, Bruce Blair, and our gray tabby cat, Theo. We’re hoping to settle closer to the church community in the future.

I’ve always considered myself a jack-of-all-trades and a lifelong learner. My path has included earning a bachelor’s in community recreation, master’s degree in public administration, & becoming a licensed esthetician in New Hampshire. I enjoy trying new things and embracing opportunities to grow.

At my core, my spirituality is rooted in nature, kindness, empathy, and authenticity. I do my best to live by the Golden Rule and to stand up for those who may not have a voice. Finding a community that shares those values has meant a lot to me, and I’m excited to become more involved.

I enjoy helping others, whether it’s organizing (spreadsheets, closets, etc.), planning events, gardening, etc. In my free time, you’ll find me biking, tide pooling, traveling, enjoying the ocean, crafting miniature dioramas, foodie adventures, and trivia, game, or movie nights with friends. I also work at Trader Joe’s as a crew member, where I enjoy connecting with people every day.

BRUCE BLAIR

I am originally from southeast Alabama but have lived all over the US and the world including spending a year in Finland as a Fulbright Scholar while I completed my dissertation. I have been married to Amanda Blair for 13 years, and we have a loving, yet very needy, kitty named Theo. I don't really have a specific brand or label for my spirituality outside of moving away from the conservative evangelical Christian tradition that I grew up in, holding to the words in red that emphasized acts of caring and compassion, and embracing those words found in all traditions and versions of spirituality. I have been searching for a congregation focused not on dogmatic statements of belief but rooted in actions of love and we found our home here. I have recently joined the choir but look forward to becoming more involved in other areas. My wife and I are avid bikers and love to explore the various rail trails. We also enjoy traveling and spending time at the beach. My career has gone through some transformations but after leaving higher education, I now work for the state as a wholesale energy markets senior analyst.

Meet some of our newest members!

RYAN JONES

I grew up in New Hampshire around the lakes and mountains. My spirituality is rooted in nature and is influenced by different faiths. The progressive community of the church has made my family and I feel at home since we first attended a Welcome Table dinner last year. I would like to be involved in community outreach, property maintenance and especially activism for peace. Some of my interests and hobbies include cooking, listening to music, making collage art and foraging in the woods. Currently, I live in Concord with my wife, our two children and our adopted puppy. I work all over the state as a self employed plumber.

DANIA JONES

I can't put a label on my spirituality, but would describe it as free, deep within and personal. The welcoming and open minded social environment of the church has continued to draw me and my family here. I am excited to get more involved beyond what I have already explored in the UU, with interests in preparing and cooking meals, working on the grounds, and connecting with people through art and food. At home, I enjoy making herbal products, primarily for skin care and medicine for my family, and creating experimental art. For work, I am a self employed, licensed esthetician and an art instructor at Kimball Jenkins. I am from Costa Rica originally, and now I live in Concord with my husband and our two grown up kids.

Plant and Yard Sale Thank You's

Betsy Kennedy and Jim Downie would like to thank everybody who volunteered to help and who came out to shop and socialize at the sale on May 16th! Thanks also goes to those who not only donated great items, but helped to sort it as it was dropped off. That was a huge help for setting up the sale.

It was the first nice, sunny, warm Saturday in a long time and there was a lot of competition from other area yard sales, plant sales and events, but we got our share of the action, netting nearly \$5000 in revenue for our church!

New Start Time for Third Sunday Drum Circle

Our monthly drum circles will now convene at 2 pm (instead of 7 pm) on the third Sunday of each month from September to June. Please join us in the sanctuary (or outside) for our final drum circle of this church year on June 21st at 2 pm.

Drum circles will resume on September 20th. All experience levels welcome. Bring your own drum or use one provided by the church. For questions or to be added to the mailing list, contact Michael Leuchtenberger at michael@concorduu.org.

Monthly Board Highlights from May Meeting

SUBMITTED BY ANNE MEYERS, BOARD SECRETARY

- We finalized our board presentation for the annual meeting.
- We applauded our opportunity to celebrate Dan Frye's ordination in the fall.
- We celebrated the successful pledge drive, OWL class, and the intergenerational village service trip to Alabama.

Dollars and Sense

Do you make your pledge payments via a charitable gift fund, donor-advised fund, or distribution from your IRA? Please make sure the check says your name on it! Recently we've had several checks arrive without a congregant name on it. Your check also needs to say "Pledge" with the year (2025-26 or 2026-27). If you can't be sure they will include this information, email our Assistant Treasurer Ann West that the check is coming, so she will know how to apply it. Thank you for your generosity!

Senior Singles Group

SUBMITTED BY MARTHA MAE EMERSON

The UU Senior Singles Group (SSG) is a fun-loving group of single UUs aged 55+ who enjoy sharing interests and a wide variety of activities, all in good company. Members are an active part of planning and organizing all that we do.

There are unique needs that are a part of being older and single. A goal of our group is to be supportive of each other in many ways. SSG is also a place where people who might feel lonely can find connection. Sometimes people ask if we are a dating group, and the answer is no.

If you would like more information contact Becky at the UU office (becky@concorduu.org). She will then connect you with one of our members to chat about our group and answer any questions you may have.

If you are a member you will receive the SSG Bi-Weekly Update on the first and third Sundays of each month. Here you will find information about our weekly Stay Active Wednesday activities (a new activity each week), as well as reminders of the monthly recurring meetings. Recurring SSG monthly meetings are posted at www.concorduu.org/calendar and in Parish Notes.

Contemplative Practice Group End-of-Year Wrap-up and Planning meeting

Tuesday, June 2, 7:15 to 8:45 PM

SUBMITTED BY JEANNE ANN WHITTINGTON

Join the Contemplative Practices Group (CPG) next Tuesday evening, June 2, at 7:15 PM in the Parlor for our year-end wrap up and brainstorming for the 2026/2027 church year. The CPG prides itself on having only 2 meetings a year, and this is the essential one!

If you've ever wondered how our Second Hour offerings happen, or retreats, or Spirit Week, or if you have ideas about activities you'd like to see us offer, please join us as we plan the calendar for the upcoming church year.

All are welcome, whether you've been involved in planning past activities, have participated, or are just curious. You can also join the meeting via Zoom; contact Becky in the office for the link.

Thank you to Jeff Abbe for the new-to-us lawn tractor!

Our old riding mower died, and Jeff determined it wasn't repairable. He sourced a used mower, and he even sold the old one for parts. Net cost \$475! A similar new machine would be over \$2,500. Better for our treasury and better for the earth to buy used!

If you appreciate our beautiful and inspiring grounds, there are so many ways you can help - whether it's equipment maintenance, organizing workdays, or overseeing garden maintenance. For more info, reach out to Lea Smith, lea@concorduu.org.

Prepare for Annual Meeting Budget & Bylaws Forum May 31 at 11:45 am

Unitarian Universalists are privileged and responsible to run their churches as they see fit; we don't have a diocese or denominational "overseer" governing our church. Our Voting Members* (who have signed the membership book) vote annually on our Officers, Annual Budgets, and other important church business. It is one way we practice "the right of conscience and the use of the democratic process within our congregations" (the fifth principle of UUism.)

At the upcoming Annual Meeting, we will vote on some **proposed bylaws changes related to our financial structure**. We have been experimenting with this structure for two years. The Board of Trustees has done a lot of research, and we participated in an inter-congregational financial evaluation with the First Unitarian Universalist Society of Burlington. The Board now proposes to reflect this new structure in the bylaws. **Please attend the Budget and Bylaws Forum on Sunday, May 31 at 11:45 to hear the details and have your questions answered.**

You'll also hear a detailed presentation of the **proposed operating and capital budgets for 2026-27**. In the interest of time, the budget presentation at Annual Meeting will be a brief summary, so if you want all the details or have questions, don't miss the Budget and Bylaws Forum.

Read the proposed bylaws changes and budgets in the [Annual Meeting Prep Packet at concorduu.org/pn/annual-reports](https://concorduu.org/pn/annual-reports).

Childcare and snacks will be provided during the forum.

****If you aren't a Voting Member, you are still welcome to attend and speak at Annual Meeting, but you can't vote. Interested in becoming a Voting Member? Talk to Lea Smith or Lorraine Ellis about the process, email membership@concorduu.org, or visit concorduu.org/get-involved/become-a-member.***

The 2025-26 Yearbook is coming...

Here's a sneak preview of some of the photos you might see in it. Do you have photos that would be great to include in the Yearbook? Send them to Lea Smith, lea@concorduu.org (jpg format please.) Please include the name and date of the event in your photo.
